Targeted Case Management Billing Training Scheduled for Provider Type 54

The HP Enterprise Services (HPES) training team will conduct Targeted Case Management billing training in the month of January.

Targeted Case Management is offered only for those who are enrolled as **provider type 54**. The focus of this workshop will be to review program policy, billing guidelines and claim form instructions.

Providers may choose to register and attend the workshop at the HPES Learning Center in Reno or via virtual room from a home or office location. There will be four identical sessions; you need to register and attend only one of the sessions.

Note: All courses are non-clinical in nature.

Please review the dates and times below and register by using the [2014 Provider Training Registration Form \(FA-41\)](#). All times indicated are Pacific Time (PT). For questions, contact the HPES Training Department at NevadaProviderTraining@hp.com or (877) 638- 3472, option 2, then option 0, then option 4.
